Introduction to PW Skills lab.

PW Skills lab is a virtual teaching and learning environment aimed at developing students' laboratory skills. As one of the most important eLearning tools, it allows the student to write, build and deploy without any constraints to place, system or time.

PW Skills also offer students access to a realistic lab experience that will allow them to perform experiments and practice their skills in a risk-free and interactive learning environment.

Steps to access PW Skills lab

1. Visit <https://lab.pwskills.com/>
2. Click on Start your lab.
3. Complete the registration/login through the phone number.
4. Here you can find a list of lab templates available, can choose any of them and work freely without any cost.
